

Statements and Policies 2018-2019

Mission Statement:

We strive to work hand in hand with parents to challenge, inspire and empower students to fully glorify God with their gifts and talents. We endeavor to inspire young men and women to embark on a path of becoming lifelong learners. We believe that as such they will more fully bear God's image to the world.

Statement Of Purpose:

- To support and encourage parents as they endeavor to prepare their children to become responsible, mature adults.
- To assist parents in teaching their children to distinguish truth from falsehood.
- To reinforce parents' God given role in their children's character development through teachers who teach from a biblical worldview.

Statement Educational Philosophy and Faith:

Teaching from the heart will communicate more than just facts and figures. Our philosophy reflects that. We strive to teach in the area of our passion. That way we feel we can inspire our students to consume the truths from each subject we teach. Our teachers are committed to teaching from a biblical worldview. We believe that God's word is inherent, and that He teaches us in His word to use our gifts to bear His image to our students. All of our teachers have professed to be followers of Christ and have signed a statement of faith. We do not however require our students to be a believer of Christ in order to participate in our classes at The Cordova Tutorial.

Statement Of Responsibility:

- Parents are primarily responsible for the education of their children. We strive to create classes to enhance not replace your role in your child's education. This being said parents are expected to be aware of the material covered and assignments given to their students and assist them to complete all their assignments. Parents are expected to get the students to class on time with supplies and assignments. Parental involvement is the key to the success of their student. *High School parents are responsible for verifying their student's curriculum is acceptable with your cover school.
