**One-on-one Tutoring Sessions** – Click tutor links for details and schedule

**Emily Wakabi** – [Orton-Gillingham Reading](#) for students with reading challenges.

**Jan Schulte** – [Multi-Sensory Math Tutoring](#) for students with Dyscalculia.

**New requirements to schedule study halls.** A student must have a morning class to schedule a morning study hall and must have an afternoon class to schedule an afternoon study hall.

**New Lunch Policy this year:** We have had many requests for their child to be able to stay for lunch to visit with friends. Students who do not have an afternoon class or only come in for afternoon classes will be allowed to register and attend lunch as space allows. There will be a fee for this option as we will need to hire staff to accommodate the additional students. Please see the new lunch policy online. **Note:** Students with classes before and after lunch need to register for lunch but there is no fee
